Media Report

Jennifer Husmann told of radio advertising that will begin in April and May with Z102.9 FM. One of the concerns of the committee is the consistent discussion of alcohol in a positive manner on the station. The age of their youngest listener is 13. Erin Gavin suggested that we contact the radio station with letters expressing our concern.

Pending a discussion with Z102.9, a motion was made for \$700 to go towards an advertising campaign with Jones County. The motion was seconded by Sue Lind and approved unanimously.

The public forum discussing Social Hosting will be at the Roosevelt MS on April 30.

May 1st is the targeted date for alcohol graduation signs to be delivered. Linn County Supervisors are currently studying a Social Host Ordinance. Flunk Day at Coe advertising was discussed.
